**Shirehampton Primary School**  
**Home-School Agreement**

**If we are to ensure that all our children receive a high quality education it is vital that school and parents / carers work together, in partnership, and understand and value the important part we each have to play.**

Every year school and parents commit to our Home-School Agreement which clearly states what school, parents / carers and the children themselves can expect of each other every day. It provides a common framework that we all have ownership of and aims to ensure that:

- ∞ children get the most out of their education every day;
- ∞ parents understand how they can best support their children and the school and
- ∞ teachers and staff provide a safe and informative learning environment for all.

The Home-School Agreement will last for the length of time your child is in education at the school from their year in Reception until the end of year 6.

Attached is the agreement, which we would invite you to share with your child. Please use the tear off slip below to inform us that you have discussed the agreement with your child and that you have both signed it; **please return the reply slip by Friday 16<sup>th</sup> September**. If you have any questions or comments, please discuss these with your child's class teacher in the first instance who will be happy to help.

Thank you for your continued help and support on our journey to becoming an outstanding school.

Best wishes,

Louisa Munton  
Head Teacher
